The current level of turnover of the above mentioned entity is closely related to the economic indicators and may thus be more or less in future. Consequently, this Certificate does not serve as a guarantee that the income reflected will continue at the same levels. Where the entity is a start-up enterprise this EME Certificate is valid only for contracts with a single value of less than or equal to R10 million. Should the contract value being tendered for be higher than R10 million and less than R50 million, the EME will be required to submit a QSE Verification Certificate with any tender. For contracts over R50 million a B-BBEE Verification Certificate based on the Generic Codes must be submitted.

**Conclusion:**

Based on our procedures, which do not constitute an audit or review, we have determined that the turnover is less than R10 million and that the level of Ownership is at a LEVEL 4.
